

CJS BUZZ

7-a-side Football Team

The 7-a-side team finished third in the league this year. It has been a good season overall, with some very good performances throughout. Their character and determination have above all, stood out and with a bit more luck in some of the games, we could have finished even higher.

This is a very talented squad of players who have played well together as a team and have improved as the year has progressed. Some of their passing and movement has been a joy to watch at times.

Joshua Sewter & Ollie Franklin: I have been fortunate to have had two excellent goalkeepers this year. Reliable and both have fantastic handling skills, who have made a series of crucial and jaw-dropping saves all season long.

Flynn Winfield: a solid and graceful defensive player, who reads the game well and is always in the right position to make crucial tackles and interceptions.

Ben Dowding: Has improved massively over the season. Always keeps it simple, reading the game and making a good pass from the back.

Holly Street: A strong and solid defender who tackles well and wins everything at the back. Miss Reliable; susses out her opponents quickly and makes sure, no-one gets past.

Cody Roberts-Downing: the engine of the team. Well-disciplined in midfield who is strong both in the air and on the ground. Passes the ball effectively and has assisted many goals this season. Deadly from free-kicks and set-pieces.

Oliver Costigan: Skilful player with quick feet and plenty of pace. Loves to run at defenders and get crosses into the box. A natural goal scorer and a handful for all opponents this year.

Braydon Randle: Again, a skilful player with quick feet. Always works tirelessly during the game, never allowing the defenders to settle. Holds the ball well and links up the play superbly. Scored some crucial goals this season.

Cohen Monk: A strong and reliable defensive player, who can get up and head the ball well in the penalty area. Very quick over the ground and has made some crucial, match saving tackles this year.

Shay Simpson: has improved well over the season. Naturally very quick with a good engine. Strong in attack and defence, with a good eye for a pass. Been an important player over the season.

Nathan Nwokoro: Again, a naturally quick and lively player who gets up and down the left-hand side brilliantly. Strong in the tackle and quick to intercept a pass.

Karsen James: Quick and skilful player with good feet. Loves to run at and get past defenders. Makes good crosses from the right-hand side.

Yellow League					
	P	W	D	L	PTS
Oakwood	14	10	3	1	33
St Joseph's	14	9	2	3	29
Chellaston	12	5	3	4	18
Dale	12	5	2	5	17
Homefields	14	5	2	7	17
Lakeside	10	2	2	6	8
Shelton	6	2	1	3	7
Cherry Tree	10	0	1	9	1

Well done and thank you to all the players for their hard work and commitment over the year. It has been a pleasure to coach them and watch them progress and develop over the season. A great set of players who have the potential to improve further next year. I hope they continue to enjoy playing football and wish them every success for the future.

A special mention to Cody, who has shown great commitment in making sure the kit has been laid out for all the team before each game and collected in afterwards. Thank you for all your help Cody, behind the scenes this year.

Finally, a huge thank you to all the parents who have come along and supported the team this season. Your support and positive encouragement has really helped the team and has been greatly appreciated.

Mr Beeston (Proud CJS Coach)

Derby Boys Under 11's

This year, 4 of our pupils at CJS have represented Derby Boys this season on a Saturday morning. The squad consists of players selected from all schools all over both Derby City and Derbyshire. Last week, the team attended the Derby City Schools Presentation Evening, receiving their well-earned trophies and medals for representing the city this year.

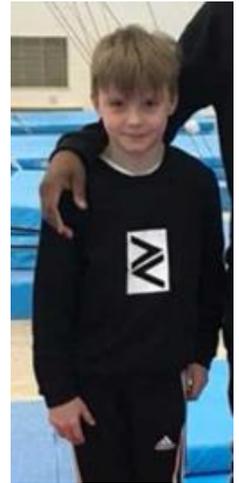

Congratulations go to Braydon Randle, Joshua Sewter and Cohen Monk (and Ollie Franklin, not included in the photo, who has represented the team this year!). This proves what good players we have at CJS.

Charlie Box's Tumbling Success

Congratulations to Charlie Box (Castleton) who recently competed in two national tumbling competitions and has successfully earned the qualifying points in both events to qualify for the **Trampoline and Tumbling British Championship 2017 at the Echo Arena Liverpool in September this year**. Charlie will be competing for Derby City Gymnastics Club in the 9 - 10 age group.

Well done Charlie!

Derby Junior Triathlon

9th July 2017

Woodlands School
Blenheim Drive, Allestree
Derby, DE22 2LW

This is the perfect event to come and give it a 'tri'. All traffic free for ages 8 to 16.

Further details on the race can be found on the DTC website <https://www.derbytriathlonclub.co.uk/junior-triathlon>.

Enter direct through EntryCentral.com

Goodbye Mr Jones

We say goodbye to Mr Jones today. During the past few years he has been a brilliant Teaching Assistant, providing great support for pupils, solving IT problems and being such a positive role model for pupils. Mr Jones is looking to further his expertise in International Development and African Studies; we wish him every success and CJS will miss him greatly.

Year 3 Creswell Craggs

Last week all Year 3 children enjoyed their trip to Creswell Craggs. They had an enjoyable time studying Life in the Ice Age Cave (touring the Robin Hood Cave), Art of the Ancients and Survival Skills.

Community Cohesion

Following the recent terrorist attacks in Manchester and London, it is more important than ever to develop children's understanding of our multi-cultural society. Some terrorists quote religion as their justification for acts of terror. However, such extremism is a perversion of Islam, for instance, and it is important that we build positive links, break down barriers and prevent certain members of our community becoming isolated. Thank you to all parents who supported the recent trips to places of worship in Derby: Year 4 Sikh Temple, Year 5 Derby Mosque – it is vital that we continue such visits to develop understanding, respect and tolerance within our local community.

Visits to the Derby Mosque and the Sikh Gurdwara

As you know, we always try to provide opportunities for pupils to enhance their learning across the curriculum. Pupils have enjoyed visits linked to their learning in history and geography, and there are opportunities to visit places linked with other subjects. Such visits are valuable in enhancing our school's provision for spiritual, moral, social and cultural development and in preparing pupils for life in modern Britain, with its increasingly diverse communities.

During the last two weeks, pupils in Years 4 and Year 5 have had the opportunity to get an insight into a modern Muslim and Sikh community by visiting and meeting some of the lovely people who live and work there. Visits such as these are an essential part of the curriculum which are becoming more and more important as British society becomes more diverse. We feel strongly that pupils need a good understanding of different cultures, to learn respect for others and practise the values of acceptance, respect and unity.

Year 4 classes visited the Sikh Gurdwara in Derby this week. They were made to feel very welcome. The children got to have a look around, learn more about the Sikh faith and were given the opportunity to try food in the community kitchen.

New Intake Evening

On Thursday 15th June, we held our new Intake evening where we welcomed all the parents of children due to start Year 3 in September. Thank you to everyone who attended and all the staff who supported the evening to help provide a smooth transition for our new parents and pupils.

Year 6 Transition

We continue to have very strong links with the local senior schools. The transition process will continue with further visits from Year 7 staff and the Induction Days at the Academy on Monday 3rd July and Thursday 6th July. Further details of the arrangements for those days will follow shortly.

Humanities Theme Day

The whole school enjoyed a great Theme Day on Thursday 15th June. Pupils spent the day working together and researching aspects of History, Geography and RE that related to the last 50 years in the school, Chellaston and the wider world. Children made models of the school, posters of Chellaston, recorded News Reports and discussed what they would put in a time capsule to represent 2017. Parents will be interested to know that fidget spinners were top of the list! A big thank you to Mrs Price, Mrs Chapman and Miss Rudge for organising the day. Walking round the school yesterday it was clear that the children really enjoyed the activities and were very involved and interested in the day.

Girls' Football

Chellaston Girls hosted a Year 5/6 competition in which 22 girls made up 2 teams of 11. With some extremely close matches, Chellaston 'A' finished 2nd in their group and Chellaston 'B' finished top of theirs. Following their success in the mini leagues, Chellaston "A beat Homefields to finish 3rd and Chellaston 'B' beat Arboretum to finish 1st! Congratulations to all the girls involved and thank you to all the support the girls got from the touchline - it is much appreciated!

We look forward to seeing you all on the 22nd June as we head to St George's Park to wish the England Lionesses all the best before they go out to the European Championships.

Mr Gadsby (Girls' Football Coach)

Holiday Absence

Parents are reminded that we cannot authorise holidays during term time. Recently we have seen an increase in such absence, which clearly has a negative impact on pupil progress in school. The school does follow up absence and may conduct home visits if a child is not in school. If the school has evidence that points to the fact that parents have taken pupils on holiday but not informed the school, or, in some cases, told us that a child is ill, then taken them on holiday, we may involve the Education Welfare Officer and a Fixed Penalty Notice may be issued. Thanks to the vast majority of parents who support the work of the school by ensuring their child has excellent attendance.

SPORTS DAYS

Year 3/4 Sports Day is on Thursday 6th July

Year 5/6 Sports Day is on Friday 7th July

The track events will be taking place during the afternoon 1.30 – 3.00 pm, and the field events will be during the morning 10.00 – 11.30 am. Further information will be given out next week to confirm whether your child is participating in the morning or the afternoon.

INSET DAY

A reminder that school is closed on Monday 19th June for staff training.
