

P.E. and Sport Premium for Chellaston Junior School

*Together we are Stepping to Success
Together we are Working to Achieve our Best*

PE and Sport Premium for Primary Schools

The Government has spent over £450 million on improving Physical Education (PE) and Sport in Primary Schools over the last 4 academic years. The Government has allocated this extra funding directly to schools. CJS has received approximately £10,000 per year for the last 3 years.

Schools can choose how they use the funding, for example to:

- hire specialist PE staff to work with primary teachers during PE lessons
- target the least active children by running before school, lunchtime and after-school sports clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in school games
- run sports activities with other schools

The amount allocated to Chellaston Junior School for the academic year 2017-2018 is £20,000.

At CJS we aim to:

1. Participation (£5,000)

- Increase the number of pupils who participate in PE and Sport for 3 hours per week
- Increase the range of sporting opportunities and activities that the school offers
- Raise aspirations for ALL pupils by inspiring and motivating them to be involved
- Further enhance the enjoyment of ALL pupils participating in PE and School Sport
- Ensure that the pupils develop into active and healthy citizens
- Keep the Legacy of the Olympics alive and promote the Paralympics and Invictus Games

2. PE Curriculum (£10,000)

- Raise standards in PE and Sport, through high quality teaching and learning
- Further develop teacher skills and confidence
- Further develop links in PE with other subjects across the curriculum
- Maintain swimming for all Year 4 pupils

3. Competition and Partnership working (£5,000)

- Increase the numbers of pupils participating in competitive sports
- Provide a swimming gala for children in Year 4,5 and 6
- Signpost all pupils to further PE and Sport out of school
- Work in partnership with the SSP, schools, local clubs and providers to extend opportunity

At CJS, during 2017-2018, we plan to use the funding to:

1. Participation (£5,000)

Impact of funding 2016-2017

CJS had a very successful year with regards to PE and Sport Premium. Many of the aims which were planned at the start of the year were fully or partially achieved.

The amount allocated to Chellaston Junior School for the academic year 2016-2017 was £10,040. (Due to the timing of the budget, CJS have spent over £13,000 on PE and School Sport in 2016-2017. Over the last 2 years, CJS has spent over £20,000 on PE and School Sport.)

1. Participation and Enjoyment (£7,000)

We spent approximately £7,000 to increase participation in Sporting activities to achieve the following impact:

- We provided PE kit for all those pupils who needed it to ensure 100% participation in PE lessons
- We provided 2 sessions of multi-skills per week for all Pupil Premium pupils
- We have doubled the number of Out of School Hours Learning (OSHL) sessions since 2012
- We now provide opportunity for ALL Y3/4 pupils to participate in multi-skills activities one lunch time per week
- Lunchtime staff have been trained and now lead a variety of activities, including the MUGA

2. PE Curriculum (£5,000)

We spent approximately £5,000 on staff training and resources for the PE curriculum.

- Following recent staff training in Gymnastics, Dance, Basketball and Mini-Tennis, staff training focused on transferable skills in Games across all year groups.
- The percentage of pupils achieving the age-expected level of attainment has remained very high
- New resources have been provided for Games to ensure that pupils have access to the appropriate rackets, balls and equipment to ensure high quality PE and Games lessons.

3. Competition and Partnership Working (£1,000)

We spent approximately £1,000 on competitive sport, both intra and inter-school activities.

- The numbers of pupils competing in at least 1 inter-school sport event has increased markedly since 2012.
- Since 2012, the numbers of whole school competitive events involving ALL pupils has increased three-fold.

Please contact the school if you have any ideas on how we can achieve our aims in PE and School Sport.
