Non-uniform day and book sale for school charities (see below)

**All other clubs will go ahead as planned. Parents will be notified by text if there are any significant changes to an event.**

[School term and holiday dates](#) – click on the link for these.

## **Class Photographs**

Our school photographer will be here on **Monday, 11<sup>th</sup> June 2018** to take an informal photograph of every class. You will receive a preview pack and will be able to order from a selection of packs shown in an accompanying leaflet, if you wish.

The photographer will then collect your prepaid orders from us and deliver back the prints when completed. Please send your child with a comb/brush and in full school uniform.

## **School Council Fund-Raising**

On Friday 15<sup>th</sup> June, our School Council are holding a fundraiser for our 2 charities this year -Heartlink and Uganda.

On that date pupils can wear pink/red clothes for a 50p charge. We are also holding a book sale at playtime that day where we will be selling books for 20p/50p.

**Please send any donations to Cromford as soon as possible. Books must be in good condition, no tears or writing etc.**

*CJS School Council*

## **Multi-Academy Trust**

The four schools in Chellaston continue on our journey to form a multi-academy trust. The proposed date for the conversion will be November/December 2018.

At this stage, the Headteachers, Governors and School Business Managers are planning to complete the necessary financial and legal documents. We will keep parents informed as the project develops over the coming months.

## Quick Sticks Hockey

CJS recently took part in a Quick Sticks Hockey Competition at Moorways. After some extremely close and nail-biting matches, we finished the tournament 3rd in our group.

There were some cracking matches including our 6-4 victory over Ravensdale 'B' and a last minute winner in a 5-4 victory over St Mary's.

Congratulations to all those who took part!

## QuadKids Athletics

We had a fantastic afternoon at West Park for the annual QuadKids Athletics competition.

Our athletes took part in a 75 m sprint, long jump, howler/vortex throw and 600 m run. There were many outstanding performances, including 2 first places in the sprints and 2 first places in the long distance runs.

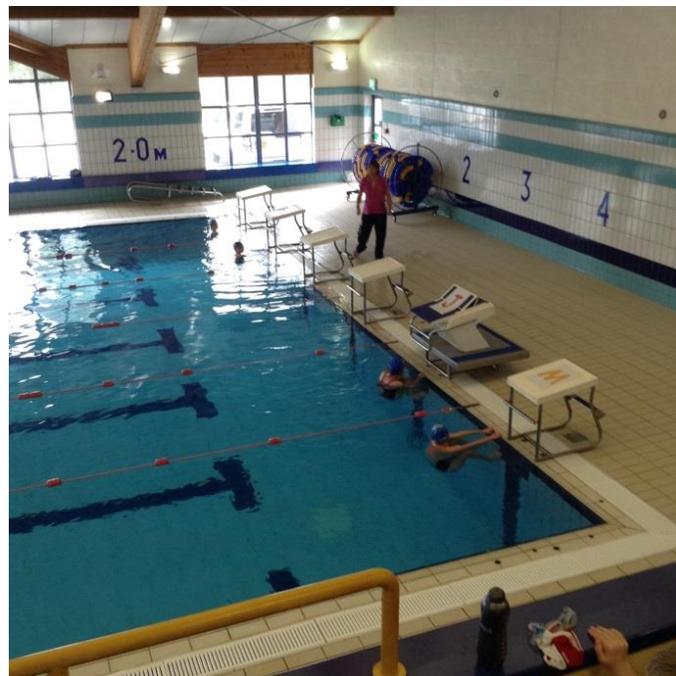

A huge thank you to those involved for their effort and sportsmanship! As the events are recorded by time and distance, Derby SSP are still totting up all the scores, so results will be announced shortly.

**Mr Gadsby (Sport & PE Co-ordinator)**

## Kitchen Staff

We require a catering assistant to work in the school kitchen for 2 hours per day until the end of the summer term. If you are interested, please contact Mrs Dolby in the School Office.

## Swimming Gala

Tuesday 5 June saw the first Swimming Gala for CJS. We were able to take 72 children from Years 4, 5 & 6 to Repton Swimming Pool. The children took part in a variety of races, including front crawl, breast stroke, backstroke and relays.

The children were quite nervous but participated with great enthusiasm and sportsmanship. The children were very well behaved and a credit to the school. Hopefully we can now make this Swimming Gala an annual event.

Well done to those children who took part, won races and particular congratulations to our finalists  
Front Crawl – Annabel Steadman  
Breaststroke – Su Alpan  
Backstroke – Sam Benfield  
Relay – Charlie Box, Amy Spink & Thomas Harrison

Thank you to all staff who helped out.

**Miss Ballington**

## Interactive Smart Boards

During half term, new smart boards were installed in all classes in school. This 'state-of-the-art' equipment will enhance our teaching and make learning more interactive. The new boards use touch-screen technology and this investment,

agreed by the Governors of the school, is a very exciting development for the future.

## **Governor Visits**

On Thursday 7 June, four Governors of the school came to visit. They met with Miss Fogg to discuss how the school is developing our teaching, learning and curriculum. All year groups across the school were visited so the Governors could review the curriculum and the use of the new smart boards. The Governors praised the staff for their creative and innovative way of planning and observed all classes to be very engaged in the learning and having fun. Thank you to all our Governors for your continued support.

## **Inset Day**

A reminder that school is closed to pupils on Monday 18<sup>th</sup> June as it is an Inset Day.
