Kwik Cricket

The Year 4/5 team took part in a Kwik Cricket competition at Rosehill Methodist Cricket Club on Thursday. Some great fielding, bowling and batting saw us win 3 out of the 4 matches we played in, including victories over Cherry Tree and Oakwood. Well done to all those involved!

Alternative Football Festival

CJS had a great afternoon at Derby City SSP's Alternative Football Festival on Tuesday. The team took part in 3 activities to enhance their invasion games skills applicable to football:-

- Head, Catch Throw
- Target Man and
- Tag Football.

While the festival was based on participation and enjoyment, as usual Mr Gadsby kept scores, and our team won or drew the majority of the matches and activities we took part in!

Well done to all the children who took part, as for many of them, they had not been involved in a competitive competition outside of school this year!

Mr J Gadsby School Sports & PE Co-ordinator

School Stationery

Each year, school provides various items of stationery for all pupils. However, we are aware that many of our children love bringing in pencil cases and their own stationery.

We are keen to promote independence and responsibility, so from September would like all children to bring a pencil case with their own stationery to school each day. Parents are asked to provide:-

- **One** pencil case in which to keep personal stationery. This should be able to fit into your child's tray.

- Coloured pencil crayons
- Felt tip pens
- Pencil sharpener (with a bin)
- Eraser
- Highlighting pen
- Glue stick
- Whiteboard pen

Please ensure all items are clearly labelled with your child's name.

School will continue to provide HB pencils, handwriting pens, rulers and other necessary equipment. There will be a small collection of stationery in the classroom in case pupils leave their pencil cases at home.

If your child is entitled to Pupil Premium, then we will provide them with a pencil case of essential items to be kept in school. Of course, they are welcome to bring in their own pencil cases if the wish to.

It is expected that **ALL children use a sharp school pencil** as these have the best handwriting results.

Holiday Absence during Term Time

A reminder to all parents that the school is not allowed to authorise absence due to family holidays during term time.

If any parent feels that there are exceptional circumstances regarding a request for absence in the future, they are asked to put this in writing to Mr Emery.

All unauthorised absences are reported to the Education Welfare Service who may issue a Penalty Notice of:-

- £60 per child if paid within 21 Days
- £120 if paid within 28 Days
- Fines apply per parent per child
- If not paid the matter will be placed before the Magistrates Court.

Thank you for your support in helping all our children maintain very good attendance so that they are well placed to achieve their very best in school.

Research Opportunity

Researchers at Birmingham City University and the University of Derby are looking at the relationship between different types of health beliefs in parents and guardians and children to see if they are linked.

You and your child are invited to take part in this research and further information is on the next page. Taking part in this study is completely voluntary and you do not have to take part if you do not wish to.

BIRMINGHAM CITY
