(pm)

NO AFTER SCHOOL NETBALL CLUB

Friday 29 June

After school Cricket Coaching (last session)

All other clubs will go ahead as planned. Parents will be notified by text if there are any significant changes to an event.

[School term and holiday dates](#) – click on the link for these.

After School Cricket

The last cricket session after school is on **Friday, 29th June**. There is no charge for this session and it is open to everyone who is already on the list for cricket. Mr Emery will be running this session.

Year 6 Activity Week

All Year 6 pupils enjoyed a full day of fun activities in school on Tuesday led by Year 6 staff and coaches from Premier Sports.

Abernant Lake

On Wednesday morning, 110 pupils headed off to Abernant Lake in Wales for three days of activities including climbing, canoe, fencing, rifles, zip wire, abseiling, raft building, obstacle course and kayak.

Thursday was a full day with each activity group taking part in 5 separate activities. Staff have been uploading photos on twitter @cjs_derby. The wifi has not been good so they will upload remaining pictures next week – thanks for your understanding.

A reminder that pupils from Abernant Lake are due back at school around 5.30 pm, traffic permitting. We will keep parents updated by text during the afternoon.

Activity Days

Year 6 Activity Days started with a visit to Conkers led by Mrs Price. Pupils demonstrated their skills on the Low Ropes and Kata-Canoeing and we were delighted at the positive feedback from Conkers staff on the children's behavior and positive attitude.

Yesterday, they travelled with Mrs Holmes to Tissington Hall to take part in Tanglewood's outdoor learning experience, including den building, fire building and archery!

Today, Mr Purdon has taken the group to Sutton-on-Sea for a day of fun activities on the beach and surrounding area. This is always an exciting day!

Pupils from Sutton-on-Sea are due back at about 6.00 pm. Again, we will keep parents informed via text during the afternoon.

School Council

Well done to Mrs Collins and our School Council for organising the Book Sale last Friday. The sale and donations for non-uniform helped to raise £346.20 for the two School Council charities.

Thank you to all parents and pupils for supporting this event.

What's on this summer?

Click on the following link: - [Summer Activities](#) from Premier Sports.

Year 5/6 Tennis Tournament

I recently had the pleasure of taking four Year 5 pupils to Derbyshire Tennis Centre for a tournament. They had an excellent afternoon, playing different schools in boys, girls and mixed doubles. The team played brilliantly and showed fantastic improvement throughout the tournament. The standard of tennis was impressive and the team should be very proud of their performances. Well done to Jonathan, Heidi, Zach and Taylor!

Mrs K Chapman

Sun Safety Advice

As summer is now officially here, we wanted to remind you of a few things to ensure that your child is safe at school.

Water bottles: it is essential that children bring in a water bottle filled with chilled, fresh water at the start of the day – this can be topped up at school as necessary. Water bottles are on sale from the school office for £1.20.

Sun hat: please ensure you send your child to school with an appropriate sun hat (named), ideally to remain at school at all times from now through to the end of September. This is necessary to ensure that your child has access to the appropriate items that will help protect them from over

exposure to UV during outdoor activities and break times - the majority of which are taken at the hottest times of the day, when UV penetration is at its strongest. Sun hats should be either legionnaire or broad brimmed, bucket style hats that shade the face, neck and ears. Sun hats should be worn for all outdoor activities during the summer term. Hats should be removed before entering the school building.

Sun cream –

We have wall mounted sun stations with dispensers containing SPF 30, 5 star UVA, broad spectrum sunscreen available for use by all pupils. Children can apply the sunscreen themselves before extended periods of time outdoors such as lunch breaks when UV penetration is at its peak.

Parents can, if they prefer, apply a high factor sunscreen (sun protection factor SPF 25 or higher) on their child's exposed skin before school. This should be the single application type so that it does not require re application during the school day.

Sun glasses: UVA / UVB sunglasses are permitted for those children who need them. They must not be mirror / reflective glass type. Parents who let children wear them do so at their own risk. Sunglasses must be removed before entering the school building.

Dinner Money

With the end of the summer term just over four weeks away, please can we ask all parents whose children have a school dinner to check their ParentPay accounts to ensure there are enough funds to cover their child's dinners. It is essential that any dinner money debts are cleared at the end of the academic year. Please contact a member of the office team if you wish to discuss payments. Thank you.

Girls play rugby too!

Melbourne RFC Minxes are recruiting new players

No experience necessary
