March 2019

Dear Parents,

To support the Year 4 science work on electricity, we have booked a JuniorSTEM Lego Robotics Workshop to come in to school. During this session, the children will be taught how to make a Lego, motorised Merry-go-Round which can be controlled using a gear combination.

The workshops will take place on Tuesday 2 April 2019 during normal school hours. The cost of the workshop is £2.75, with a reduced cost of £1.50 for children who are eligible for pupil premium funding.

Please log on to ParentPay to make your payment by Friday 29 March 2019.

Yours sincerely,

Miss Ballington
