Football Festival

On Thursday we had 10 players kick off a day of football at Willows Sports Centre during Derby City SSP's morning session. Children from each year group represented the school fantastically, all happily taking roles playing in different positions throughout the festival. There was some great talent on show with many of the squad getting on the scoresheet! Well done to all those involved!

Y4 Futsal

Following CJS's success during the morning session, 14 children from Y4 took part after lunch. 2 teams from Year 4 did very well throughout their league games - with both teams recording at least one match where they scored over 8 goals in a 10 minute game! Our Green Team beat Walter Evans 3-0 in their runners up tie, while our Red Team were held to a 0-0 draw by Roe Farm in final of teams who dominated their respective leagues. Unfortunately there wasn't enough time to decide the final with penalties but hopefully we will see many of the players in future tournaments as the children move up into Y5 in September!

Play on the Pitch at Pride Park

Today there will be over 20 Year 3 children (with some helpers from Y4/6), with the opportunity to play on the hallowed turf at Pride Park. All the children (and Mr Gadsby!) are very excited and hopefully they can inspire Derby County to victory on Monday!

Further photos and reports will follow in the school newsletter after half term...

Sun safety advice

As we are now approaching summer, we wanted to remind you of a few things to ensure that your child is safe at school:

Water bottles: It is essential that children bring in a water bottle filled with chilled, fresh water at the start of the day - this can be topped up at school as necessary. Water bottles are on sale at the school office.

Sun hat: Please ensure you send your child to school with an appropriate sun hat (named), ideally to remain at school at all times during the months May through to the end of September. This is necessary to ensure that your child has access to the appropriate items that will help protect them from over exposure to UV during outdoor activities and break times - the majority of which are taken at the hottest times of the day, when UV penetration is at its strongest. Sun hats should be either legionnaire or broad brimmed, bucket style hats that shade the face, neck and ears. Sun hats should be worn for all outdoor activities during the summer term.

Sun screen: Parents are encouraged to ensure that all children have applied a high factor sun screen each day. This should be the single application type so that it does not require re-application during the school day.

Sun glasses: UVA/UVB sunglasses are permitted for those children who need them. They must not be mirror / reflective glass type. Parents who let children wear them do so at their own risk. Sunglasses must be removed before entering the school building.
