Technical glitches

Our sincerest apologies that some parents have not been receiving text messages. We have a new text message service and the problem was a technical glitch at their end. Hopefully everyone receives this bulletin! We will be repeating all the important information from last week in this bulletin, so please read on...

Miss Fogg is moving on to pastures new

Please see the [letter from Miss Fogg](#) from earlier this week. Peak Multi-Academy Trust are currently advertising for a new Headteacher for CJS, so watch this space!

Learning Mats

Each year group have provided a Learning Mat for parents, explaining the curriculum for this half term. These can be found on our [website](#), under 'Curriculum'.

The Learning Mats also contain a list of useful words and definitions which may be used during the half-term. Parents may like to go over these words with their children so that they are familiar with them when they hear them in the classroom.

Flu Immunisations

The NHS Flu Team will be in school on Wednesday 16 October.

All children are eligible for a free flu immunisation, but parents must complete an

online NHS consent form. Please see all the details [here](#) on our website.

Important Dates for Autumn Term

Please see all the [important dates](#) for this term. Please note the PTFA AGM on 18 October. We desperately need more parents to get involved if the PTFA is to continue in the future to raise much needed funds to support the school.

Term dates for 2020/21

[Term dates](#) for the next academic year are now available on the website. Please note we do not yet have all the INSET Days confirmed.

#HelloYellow – Non-Uniform Day

Just a heads up that we be supporting #HelloYellow on Thursday 10 October. This initiative is promoted by Young Minds in support of World Mental Health Day. This will be a non-uniform day to raise money and awareness by wearing a splash of something yellow.

Five Ways to Wellbeing

Our assemblies this half-term are focusing on the Five Ways to Well Being. Each week

will focus on a different way in which we can help ourselves to have a positive mental health. On Monday, Miss Fogg introduced the five ideas. We will tell you about each one in more detail through the Bulletin each week.

Mobile phones

We ask that children do not bring mobile phones in to school. This is a safeguarding issue, but also we are unable to look after your child's phone securely in school. If you have any concerns or queries please contact your child's year group leader.

Aldi Kit for Schools

We are collecting the Aldi kit for schools vouchers, so please send them in if you are an Aldi shopper. Thank you!

Macmillan Coffee Morning

Parents are invited to our coffee morning on Friday 27 September in the school hall at 9.00-9.45 to support this worthwhile charity. If any parent or pupils would like to bake cakes, they are very welcome. Please note that there are some pupils with nut allergies and therefore the school is a NUT FREE zone. Please let the school office know if you would like to bake any cakes. We will have a cake sale for the pupils at break time on that day at a cost of 50p a cake. Thank you for your support.

Transition information for children with SEND

A new primary to secondary transition guide for parents of children with special educational needs and disabilities has been produced. You can find it [here](#) on our website.

Cleaner and Mid-day Supervisor Job vacancies

We currently have a number of permanent and relief job vacancies. We are looking for a cleaner, 12.5 hours per week (3.45pm - 6.15pm), Monday to Friday during term time plus one week during the Summer Holidays. Salary £5400.12

We are also looking for a number of Mid-day Supervisors to join our team looking after

the children over lunch times. Monday to Friday, (11.50am -1.35pm) term time plus 5 inset days. Salary £3780.12.

Please contact the school office if you are interested in either of these roles.

Bringing Bikes to School

A reminder that parents wishing their child to ride to school on a bike, need to complete a cycle permit available from the office.

Scooters are not allowed. Parents with younger children are asked to ensure that children do not ride around the school playground on scooters at the end of the school day. Any child not following the rules for the safe use of bikes will not be allowed to bring their bike to school.

School Ambassadors

Next week, we are launching some opportunities for children in different year groups. There will be a special assembly on Monday when we will tell the children more about how they can apply for the following roles:

- School Council Representative
- Sports Council Representative
- Mini Leaders
- Eco Warriors

We will make sure that the information is on the website under the "Children" tab after the assembly.

E-safety update – 'Granny'

We have spoken to the children about an online game called 'Granny'. It's a fairly gruesome, 13+ game and some children have been emulating the game on the playground, running around trying to hit each other with a bat. This is obviously not acceptable behaviour and we would be grateful if parents could reinforce this at home.
