Upcoming Road Works on Swarkestone Road

Message received from Scott Royal, Resolve Public Affairs:

I am writing to let you know about upcoming works and overnight closures of the A514 Swarkestone Road and how this may affect you.

C R Reynolds, on behalf of Lidl, are carrying out works to upgrade the carriageway and provide a new wearing course, road markings and street furniture as part of the new store development. In order to carry out this work safely, and with minimal disturbance, it is necessary to close the road, **overnight only**, for ten nights, beginning on 17 February 2020. The bulk of the work is to take place during the school half-term holidays (17 February 2020 to 24 February 2020). Work will also be carried out during the daytime using traffic lights (off-peak hours only 9.30am – 3.30pm) and include weekend working.
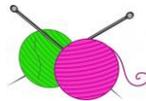

350 metres of the A514 Swarkestone Road will be affected between the junction with High Street and Chellaston Academy. During overnight closures, a well-signed diversion route will be in place. The diversion route is Infinity Park Way – Wilmore Road – Merrill Way.

Overnight closures will operate from 8pm – 5am.

We expect there will be delays during this work and therefore we advise you to allow extra time for your journey. We apologise for the inconvenience this may cause you. We will work hard to try and minimise disruption during these essential works.

If you require any further information or have any questions about the work, please do not hesitate to contact me on 0800 089 0361 or scott.royal@resolvepublicaffairs.co.uk.
Yours faithfully

Scott Royal
Resolve Public Affairs

Family

BINGO

Night

at Chellaston Junior School
Maple Drive, Chellaston
Derby DE73 6PZ

Friday 6th March

7pm - 9pm

EVERYONE WELCOME

£1 per adult
(includes tickets for your first game)

Children Free

Additional bingo tickets available to purchase on the night at £1 per strip or 20p per ticket

Lots of great prizes!

Bring your own refreshments

Cyclo Cross

On Thursday 30th January, Mrs Spelman took a team of six children from years 5 & 6 to the Moorways Stadium for a Cyclo Cross event.

Cyclo Cross is always off-road and is often on muddy grass. Luckily it had not been raining for us.

We learned how to use the breaks and gears on the Cyclo Cross bikes as they are very different to our bikes at home! The track we had to race around had very tight turns which often catch people out. We saw many fall off, crash or get trapped in the tape!

There was a girl's race, a boy's race and a mixed race each involving two team members, lasting three laps of the course. The highlight of our afternoon was coming 3rd in the mixed relay! This involved all 6 of our team in stiff competition against six other schools. Again, the co-operation, team work and sportsmanship displayed by our Chellaston Juniors team was second to none. Well done!
