Looking Ahead

Friday 12th February

INSET Day – School CLOSED to all children

Monday 15th - Friday 19th February

HALF TERM – children not in school

Monday 22nd February

Children return to school

...currently, this will still only be Critical Worker and Vulnerable Pupils

The children all took part in a webinar to find out about the events that shaped World War II and any questions the children had were

answered during a live question and answer with our Air raid Warden, Leigh, from Historic Workshops.

Throughout the day children learnt about rationing and some even tested out some tasty traditional recipes - although not too many children fancied trying the chocolate (potato) spread!

World War 2 Recipes

Blindfold pie is packed with vegetables and has a crunchy pastry on top. I do not think it will be very nice but it is a healthy, nutritious option.

Cornflour was a common thing in WW2 baking. As you can see here, this is a type of scones but with the potato orange in it. Cornflour was used because they had lots of nutrients in but were also quite sweet!

Potatoes and leek pie, a great food during war time favourite. I would love this to eat.

Spinnaker is a "delicious" treat was eaten in sandwiches or coated in flour to make spinnakers. My first reaction was "It's a girl who has just 20 very good".

On Tuesday, Year 6 took part in a World War II theme. Despite, the challenges of remote learning we didn't let this dampen our spirits and we embraced the day with many children and staff dressing for the occasion.

The air raid siren heralded in our learning of the Blitz and some fantastic artwork demonstrated this element of the war.

Parental Recommendation

One of our parents has asked if we can put this link in the newsletter.
<https://www.pilatestofeelgood.com/happy-kids-cards>

She believes that other parents may find these positive affirmation cards useful, particularly during the current pandemic. They have been created by Beverley Densham an author and Pilates expert and are all about positive messages.
